

SAP Learning Hub

Course Duration: 40 Hours

Course Code: SAP Learning Hub

1. Course Overview

The **SAP Learning Hub** is a digital learning platform that gives learners unlimited, on-demand access to a comprehensive library of SAP training materials, e-learning content, and expert-led live sessions. It is designed to help professionals, students, and organizations gain in-depth knowledge of SAP solutions while learning at their own pace. With role-based learning journeys, collaboration through SAP Learning Rooms, and access to practice systems, the **SAP Learning Hub** ensures learners stay updated with the latest SAP technologies and certifications.

2. What You'll Learn?

With the **SAP Learning Hub**, you will learn to:

- Navigate structured learning journeys across SAP solutions.
- Access a wide range of **modules** including SAP S/4HANA, SAP Fiori, SAP Business One, SAP SuccessFactors, and more.
- Prepare for SAP certification with guided content and practice systems.
- Gain practical skills through expert-led live sessions and learning communities.
- Apply knowledge to real-world SAP projects.

3. Target Audience

This course is ideal for SAP consultants, administrators, developers, project team members, IT professionals, and students who want to expand their SAP expertise and stay competitive in the industry.

4. Pre-Requisites

There are no mandatory prerequisites for the **SAP Learning Hub**, but basic knowledge of business processes, ERP systems, or prior SAP exposure will be helpful.

5. Course Content (Modules)

The **SAP Learning Hub** covers multiple **modules**, such as:

- SAP S/4HANA Modules
- SAP Fiori and UX Modules
- SAP Business One Modules
- SAP SuccessFactors Modules
- SAP Ariba and Supply Chain Modules
- SAP Analytics and Reporting Modules
