

Certified Chief Data Protection Officer

Course Duration: 40 H

Course code: CDPO

1. Course Overview

This comprehensive five-day course equips professionals with the expertise needed to fulfill the responsibilities of a Data Protection Officer (DPO) in compliance with GDPR. Designed around practical case studies, interactive scenarios, and role-playing exercises, the training enables participants to advise, monitor, and lead organizational compliance efforts with confidence. The course culminates in a certification exam, qualifying successful candidates for the PECB Certified Data Protection Officer credential.

2. What you'll learn?

- Understand the concepts of the GDPR and interpret its requirements
- Understand the content and the correlation between the General Data Protection Regulation and other regulatory frameworks and applicable standards, such as ISO/IEC 27701 and ISO/IEC 29134
- Acquire the competence to perform the role and daily tasks of the data protection officer in an organization
- Develop the ability to inform, advise, and monitor compliance with the GDPR and cooperate with the supervisory authority

3. Target Audience

- Managers or consultants seeking to prepare and support an organization in planning, implementing, and maintaining a compliance program based on the GDPR
- DPOs and individuals responsible for maintaining conformance with the GDPR requirements

- Members of information security, incident management, and business continuity teams
- Technical and compliance experts seeking to prepare for a data protection officer role
- Expert advisors involved in the security of personal data

4. Pre-Requisites

Participants attending this training course are required to have a fundamental understanding of the GDPR and comprehensive knowledge of data protection requirements.

5. Course content

Day 1: Introduction to the GDPR concepts and principles

Day 2: Designation of the DPO and analysis of the GDPR compliance program

Day 3: DPO operations

Day 4: Monitoring and continual improvement of GDPR compliance
