

# ISO 37001 Foundation Course

**Course Duration: 8 Hrs.**

**Course Code: ISO37001-FND**

## Course Overview

The ISO 37001 Foundation Course provides participants with an introduction to Anti-Bribery Management Systems (ABMS) based on ISO 37001. This course covers the key principles, requirements, and benefits of implementing a robust system to prevent, detect, and address bribery within organizations.

## What You'll Learn?

In this course, you will learn the fundamentals of anti-bribery management, the structure and clauses of ISO 37001, risk assessment approaches, and how organizations can establish policies and controls to ensure ethical practices and compliance.

## Target Audience

This course is suitable for compliance officers, managers, auditors, employees at all levels, and anyone interested in understanding anti-bribery management systems and promoting ethical practices in organizations.

## Pre-Requisites

There are no formal prerequisites for this course; however, basic knowledge of management systems or organizational compliance practices is beneficial.
